

POSITION DESCRIPTION

Kumul Consolidated Holdings

AM3933 - Managing Director, Water PNG Ltd (Re-advertisement)

Kumul Consolidated Holdings (KCH) is a State-owned Statutory Corporation with a clearly defined mandate to build shareholder wealth and to improve the provision of services to the people of Papua New Guinea. KCH is the Trustee Shareholder for 9 Majority State Owned Enterprises (SOE) operating in the sectors of aviation, banking & financial services, insurance, maritime infrastructure, power, post & logistics, telecommunications, water & sanitation. KCH is also authorised to manage the recruitment of SOE Managing Directors.

Water PNG Limited (WPL) is a Majority State Owned Enterprise responsible for the provision of potable water and sanitation facilities in all urban areas of Papua New Guinea except the National Capital District. Water PNG Limited currently operates in 34 urban centres in PNG. The company has an average annual turnover of K100 million, an asset base of around K400 million and workforce of over 400. An immediate vacancy now exists within Water PNG Limited for a transformative, visionary and results driven individual for the role of Managing Director.

Water PNG Limited is inviting exceptional candidates to apply for the vital role of:

MANAGING DIRECTOR

Reporting to the Board, the Managing Director will provide overall leadership and direction for the Company and be responsible for executing the Company's Strategic plan while ensuring organisational performance, company culture and customer service standards are maintained at high standards. Your visionary leadership, problem solving and strong financial acumen will enable you to effectively manage a commercially driven utility to capitalise on opportunities for growth, ensure the delivery of high impact projects and expansions of the network.

To be successful in this role you will be highly organised, decisive, analytical and a strong communicator. Your prior experience in change management and developing empowered and high performing teams will be well regarded.

Key Accountabilities:

- Lead and guide the company to achieve the WPL's business objectives
- Manage all business relationship with Stakeholders and strategic business partners and alliances
- Fully inform the Board on the company's progress on all programs, activities and reporting on future initiatives
- Advise the Board regarding the most effective organizational structure and oversee the implementation
- Provide guidance and sound advice to subordinates to manage internal operational relationships and support the development of human resource capability
- Sponsor all change process.

Expected Competencies:

- First Degree in Engineering, Business, Commerce or Economics with a Post Graduate qualification in Management related field
- Minimum of 10 years executive management experience in managing a medium to large enterprise, ideally with at least 5 years relevant industry experience
- Demonstrated significant strategies planning, staff development, project management and business transformation experience
- Skilled in working across a broad range of disciplines in business management, utility regulation, economics and engineering
- Excellent leadership and organisation skills, with strong analytical and problem- solving capabilities
- Excellent communication skills across all levels, including Board, stakeholders and business partners and key Government departments.
